Striving for Excellence: Learning for Life

19th September 2023

Dear Parents/Carers,

The Year 5 team are extremely impressed with how well all Year 5 pupils have settled in. Our Year 5 Assemblies will be held every Tuesday and this week the pupils have learnt about how their successes will be celebrated. I wanted to share this information with you as I am sure you would like to be involved in this celebration.

Each week, one boy/girl will be chosen from each form for a 'Shout-out' which is similar to the reward of 'Star of the Week'. Their certificates will be displayed on our Shout-out wall for a week before they go home with the pupil alongside a small reward. Pupils can achieve this in a number of ways including showing attributes of good character such as politeness, friendliness, perseverance and much more.

In addition to this, we will hold termly reward assemblies to celebrate pupils' achievement of house points (class and individual pupil totals).

We will also give out various reading rewards: highest class word count, highest pupil word count per class, 100% quiz passes, millionaire readers and most improved reader per class.

Finally, we believe attendance is a crucial aspect of school life; therefore, the classes will also celebrate class totals and pupils with 100% attendance for that half-term will also have a small reward.

We believe that celebrating these successes is really important and we ask that you also celebrate them at home. Please look out for any certificates and rewards!

Kind regards,

Mrs Nowak and the Year 5 Team
