Striving for Excellence: Learning for Life

March 2026

Dear Parents/Carers,

As we approach the warmer months, I would like to remind you that during the summer term only, pupils may wear a white polo shirt instead of the usual shirt and tie. If you choose this option, the polo shirt must feature the school logo. Alternatively, pupils are welcome to continue wearing the traditional shirt and tie throughout the summer term with their normal school trousers/skirt and shoes.

I will be writing to you again later in the summer term to share details of the Governors updated uniform policy, which will be for September 2026 onwards. This follows the recent government guidance and proposed legislation which requires schools to reduce the number of compulsory branded uniform items, so that school uniform, including PE kit, is more affordable for families.

In the meantime, please be aware that the school has a small number of good-quality second-hand polo shirts available from the school office. These are offered on a first-come, first-served basis in exchange for a small donation to the school fund.

Thank you for your continued support.

Yours sincerely,

Mr G Hall
