Striving for Excellence: Learning for Life

25th March 2026

Dear Parents/Carers,

As the spring term draws to a close, I would like to celebrate the achievements of your children. It has been an extremely busy half term, with pupils celebrating World Book Day, International Women's Day and National Careers Week. Pupils have also competed in this year's Magistrates Court Competition, where the team came third. Congratulations to everyone who took part. We are very proud of you all. Pupils have also taken part in science workshops run by our Lab Monitors, and many have given up much of their own time to stretch themselves and make the most of the extra-curricular opportunities available to them, building good character and supporting their personal development. We are very proud of everything they have achieved. You can read more about their achievements in our Spring Edition of 'Inside Out'. I am sure you will be as impressed as I am with your children's endeavours.

I would like to thank all our families for their patience, support and understanding earlier this month when we had to close the school due to the lack of water.

As the warmer weather approaches, I would like to remind you that during the summer term only, you have the option of sending your child to school in a white polo shirt, instead of the usual shirt and tie. If you choose to do this, the white polo shirt must have the school logo on it. Alternatively, you may prefer to continue with the traditional shirt and tie for the summer term. In September, uniform will revert to the shirt and tie for all pupils. School polo shirts are available from S&H School Wear and Sports, myclothing.com and School Days. The school also has a small number of good quality second hand polo shirts, which are available from the school office on a first come first served basis for a small donation to the school fund.

Finally, I would also like to take the opportunity of reminding parents/carers that pupils break up tomorrow at 3.30pm, as Friday 27th March is a teacher education day, and return to school on **Monday 13th April 2026**.

The staff and I would like to wish you all a happy Easter break.

Yours sincerely

Mrs A Hales
Headteacher
