Striving for Excellence: Learning for Life

16th July 2026

Dear Parents/Carers,

Following the delayed release of the Key Stage 2 results today, we are pleased to announce that our results were once again incredibly strong. Our combined result for maths, reading and writing is now at its highest level since before the pandemic and significantly above the national average. This is a testament to the hard work and resilience shown by our Year 6 pupils and the amazing support provided by the staff. The pupils have done themselves, you and the school proud. I congratulate them on their achievements and look forward to what they will achieve in Key Stage 3.

I would also like to congratulate our pupils in Years 5, 7 and 8 whose internal exam results were also superb. We are so proud of all our young people and their efforts.

Once again, thank you for your continued support and I wish you all an enjoyable summer. I look forward to seeing many of you again in the new academic year and wish all our amazing Year 8 pupils the best at high school. I know they will thrive.

Yours sincerely,

Mrs A Hales
