Striving for Excellence: Learning for Life

September 2026

Dear Parents/Carers,

I am delighted to inform you that we will be offering a range of extra-curricular activities for the Autumn term. Please find attached the sporting activities timetable. We will also have a range of non-sporting opportunities, details of which will be uploaded on to our website and emailed to you as and when they are available to book.

We will continue to use the My Child at School App for the bookings. Instructions of how to use this are attached.

Bookings will open on Thursday 10th September 2026 at 7pm and close on Friday 18th September 2026.

Please note:

- **When making a booking, you are giving permission for your child to attend the relevant before or after school activity and agreeing to make arrangements for their safe journey to or from the club at the specified times.**
- If booking a club that is run by an outside coach, please be aware that we will be sharing relevant medical and emergency contact information which we hold for your child, with the relevant coach in line with our safeguarding procedures.
- Some activities have a limited number of places and for this reason, please only book a place if your child intends to attend regularly.
- If a club becomes full, please contact the school office for your child to be added to a waiting list.
- Break and lunch time clubs will be organised separately and do not require an online booking.

Clubs run by Outside Coaches

As you will see, some of the activities are run by outside coaches and there will be a charge for most of these. We are aware that it states they are "free" on the App, and this is something that we are working with the provider to change in the future, but currently, we are unable to amend this. Therefore, the charges and payment details will be in the "Attachments" section of the relevant club on the My Child at School App.
