

## Key stage 2 Scheme of Work 2026-27 - Year 5

### Autumn Term

This table provides an overview of the curriculum for Year 5 for the Autumn Term. Pupils will be given the opportunity to master new methods and develop fluency through a range of problem solving lessons, calculation papers and times-tables challenges.

| Week                                     | Topic                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Example Questions/Working                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
